@albaassociateszm

The Right Business Companion

1

Always There
for you from
start to
finish.

SHAWN J. KAPANGULA

Chief Executive Officer - CEO

"At Alba Associates we seek to Become A "Real Partner" that Assists Clients in Pursuing Business Success. Since the establishment of Alba Associates we have stood at the frontiers of ferrying and introducing business owners to local industries to ensure the success of their businesses.

Without doubt, your business journey starts and will continue with us because of our competencies in the processes of starting, running and projecting possible outcomes from the local business markets.

We have continued to serve as the one-and-only

"Real Partner" for our clients with the aim of assisting them pursue business operations in Zambia as well as on a continental basis, in delivering increased value."

OUR PLANS

OUR VISION

Once a partner and forever after we shall be your Real Partner. Zambian in origin but continental in scope, we are not bound by any one stereotypical strategy. Instead, we take the utmost advantage of the characteristics of our clients and locale.

OUR MISSION

We bring success to our clients, continuously contribute toward enhancing their corporate value, care for people and deliver results through innovation.

CORE VALUES

With our eye on a common future and sharing the pleasure of success together as a Real Companion, we are honest and passionate in our consulting work as we seek our clients' real needs for change.

| **Client Centric** Love for our clients.

| **Collaboration/Collegiality** Team Strength.

| **Professional Excellence** Outstanding Professionalism.

| **Power of Diversity** Respect for Diverse Individuals

About Us

3

Alba Associates demonstrates its superior expertise in every facet of business including Industry Solutions, Service Line and Local Services. We offer optimal and high-quality solutions to all our clients.

Industry Expertise - Solutions

Our solutions are supported by our deep insight into various industries and diversified yet extensive experience acquired over the years from supporting our clients as partners in their business transformation. We offer the industry solutions that address the unique challenges of our clients' industry and business, and meet their needs in various markets.

Service Line Expertise - Solutions

Our service line has a lineup of experienced specialists and provides unique and practical comprehensive services in each area, including business registration; business planning; implementing, and conducting important administrative reconciliations. We solve the challenges faced by our clients with seamless and end-to-end services and vigorously endorse business transformation.

Local & Regional Expertise - Services

We have a local and regional network of outsourcing centers and connections and are truly respectful of the intrinsic values and business practices of the respective countries and localities. We provide optimum solutions to ensure business success.
